A Letter from a Rider:

ASHLEY S.

My name is Ashley and I'm 15 years old. I started going to camp at the barn when I was 8 and I immediately fell in love with all of the people and the horses. I started taking riding lessons once a week with Laura. When I was 10, my grammy passed away and the barn helped me heal. All of the people there are like my second family, and I love spending time with them. When I turned 12, my parents bought me my first horse and I now ride almost every day. I also help with camp and lessons, clean stalls, and volunteer at Morning Star. I am so grateful for my trainer, Laura, and all of the other girls who have not only helped me become a better rider, but also made me a better person. The horses are my best friends. The barn has become such an important part of my life and I'm incredibly grateful for my barn family and the horses who've helped me along the way.

About Us: 501(c)(3) Nonprofit

Still Waters Equestrian Academy started its journey in January 2004 as Still Waters Ranch, LLC. The Coles, Arnie, Char and daughter Laura, found a home on twenty acres with a six stall barn and outbuildings that had never been completed. They selected this ranch site just north of Hickman, Nebraska to house their three horses when they relocated from California. Since then, the barn and property has evolved and grown along with the Coles' purpose for the property.

Still Waters Equestrian Academy is now a nonprofit 501(c)3 entity that is able to serve more individuals due to the generosity of their supporters. This includes the new therapeutic Morning Star Riding Center. The ranch now has 40 acres with 2 indoor and 2 outdoor arenas, and currently accommodates 40 horses. The facility includes an educational center that is used for summer camp activities, meetings, clinics or just a place to "hang out" in the barn.

Still Waters Equestrian Academy's AAHS certified instructors offer lessons to all experience levels of riders, ages 5 to adult, using the Secure Seat Method.

The Coles have enjoyed developing into an equestrian center that can be a ministry in the community. They love being able to share God's gift of horses and encouraging and supporting the horse dreams of others.

Our Event: Cinco De Mayo

Our vision for our Cinco De Mayo Fundraising event is to raise proceeds to help us further our mission. We plan to have a fun night of music, dancing, food, and of course, horses. Our event will bring together the community and serve as an opportunity to share our passion with others. Funds raised will go to support several projects around the barn such as waters for the horses, hay/grain, and facility updates.

Event Date: May 5th, 2023
